Re: *United States v. Oscar Omar Lobo-Lopez*, Crim. No. 1:08cr194

Dear Judge Ellis:

At the motions hearing on March 6, 2009, the United States indicated that it might seek a second superseding indictment in this case. We stated that we would notify the Court, no later than March 26, 2009, whether we intend to seek a second superseding indictment. We will **not** seek a second superseding indictment, and will proceed to trial on the current superseding indictment on April 14, 2009.

Respectfully submitted,

Dana J. Boente
Acting United States Attorney
